EXPERT HISTORIAN DEPOSITION, TESTIMONY AND REPORTS

Gallo Cattle Company v. Lincoln White Crane Hunter Farms; Merced Irrigation District, et. al. Case No. CV00105, Superior Court, State of California, County of Merced. Prepared written expert report and gave deposition testimony (case settled during early phase of trial before giving oral testimony) regarding Crocker Huffman Land and Water Company history, development of its irrigation and drainage system (later acquired by MID), and the background of a 1918 agreement to flow water from Merced County Drainage District (later acquired by MID) to a private landowner, 2013-2014. San Francisco: Duane Morris LLP, Miller Starr Regalia for Merced Irrigation District.

In the Matter of Draft Cease and Desist Order Against Yong Pak and Sun Young, before the California State Water Resources Control Board, Written and oral direct and rebuttal expert historian testimony regarding Roberts Island reclamation, historic alteration of sloughs, navigable waters, agricultural land uses, pre-1914 appropriative water rights and riparian water rights, 2010. Chico: O'Laughlin & Paris LLP for Modesto Irrigation District; Sacramento: Kronick, Moskovitz, Tiedemann & Girard for State Water Contractors and Diepenbrock Harrison for San Luis and Delta-Mendota Water Authority, 2010.

In the Matter of Draft Cease and Desist Order Against Rudi Mussi, Toni Mussi and Lory C. Mussi Investment LP, before the California State Water Resources Control Board, Written and oral direct and rebuttal expert historian testimony regarding Roberts Island Reclamation, historic alteration of sloughs, navigable waters, agricultural land uses, pre-1914 appropriative water rights and riparian water rights, 2010. Chico: O'Laughlin & Paris LLP for Modesto Irrigation District; Sacramento: Kronick, Moskovitz, Tiedemann & Girard for State Water Contractors and Diepenbrock Harrison for San Luis and Delta-Mendota Water Authority, 2010.

In the Matter of Draft Cease and Desist Order Against Woods Irrigation Company, before the California State Water Resources Control Board, Written and oral direct and rebuttal expert historian testimony regarding Roberts Island reclamation, historic alteration of sloughs, navigable waters, agricultural land uses, pre-1914 appropriative water rights and riparian water rights, June and July 2010 (continued). Chico: O'Laughlin & Paris LLP for Modesto Irrigation District; Sacramento: Kronick, Moskovitz, Tiedemann & Girard for State Water Contractors and Diepenbrock Harrison for San Luis and Delta-Mendota Water Authority, 2010 - 2013.

In the Matter of Draft Cease and Desist Order Against Mark and Valla Dunkel, before the California State Water Resources Control Board, Written and oral direct and rebuttal expert historian testimony regarding Roberts Island reclamation, historic alteration of sloughs, navigable waters, agricultural land uses, pre-1914 appropriative water rights and riparian water rights, May 2010. Chico: O'Laughlin & Paris LLP for Modesto Irrigation District; Sacramento: Kronick, Moskovitz, Tiedemann & Girard for State Water Contractors and Diepenbrock Harrison for San Luis and Delta-Mendota Water Authority, 2010.

Robert M. Harding, Plaintiff v. City of Elsinore; Santa Ana Watershed Project Authority, Case No. RIC 445294, Superior Court, State of California, County of Riverside, Western Division. Expert historian deposition on behalf of defendants regarding history of public roads and trails and their dedication for public uses in Elsinore township and the townsite of Lake Elsinore, 1840s-1920s. Riverside: Aklufi & Wysoki, attorneys at law, for *Santa Ana Watershed Project Authority*, 2009.

Summary Report: Roberts Island and Union Island Riparian Water Rights Investigation, San Joaquin County, CA (June 2008), Appendix C to the San Joaquin River Group Authority, *South Delta Hydrology and Water Rights*, Report to the California State Water Rights Control Board, Bay-Delta Strategic Workplan (2008).

History of the South Fork of the American River Water Supply Development. Appendix B: To Report to the State Water Resources Control Board's Hearing Regarding EL Dorado Irrigation District's Water Rights for its South Fork American River System. Sacramento: Ellison, Schneider & Harris, LLP, Attorneys at Law, for El Dorado Irrigation District, June 2004.

JRP Historical Consulting LLC
2850 Spafford Street, Davis, CA 95618

August 2016

California State Water Resources Control Board, Division of Water Rights, Lake Arrowhead Administrative Civil Liability Enforcement Hearing (CDO No. 262.31-18; ACL No. 262.5-40). Expert report and oral testimony before the SWRCB regarding pre-1914 consumptive water rights of the Lake Arrowhead Community Services District and Lake Arrowhead Country Club, November 8-9, 2005. Sacramento: Ellison, Schneider & Harris, LLP, Attorneys at Law, 2005.

In the Matter of the Determination of the Relative Rights of the Waters of the Klamath River, a Tributary of the Pacific Ocean. Lead Case No. 003. Before the Hearing Office Panel for the State of Oregon Water Resources Department. Expert historian report on behalf of Klamath Water Users Association and others regarding pre-1909 appropriative water rights claims for certain claimants under the U.S. Bureau of Reclamation's Klamath Irrigation Project, Upper Klamath River Basin, OR and CA. Sacramento: Somach, Simmons & Dunn, Sacramento, Attorneys at Law, 1997-2005.

California State Water Resources Control Board, Administrative Civil Liability Complaint Hearings Against Lloyd L. Phelps, Jr., Joey P. Ratto, Jr., and Ronald D. Conn and Ron Silva, et al. (Complaint Nos. 262.5-28 through 30; Water Right Order No. 2004-0004) regarding riparian water right claims on Roberts Island, San Joaquin County, CA. Chico: O'Laughlin & Paris, LLP for South San Joaquin Water Users Association, February 25, 2003.

California Historic Resources Commission Hearing, Re. Coronado Belt Railroad Eligibility for Listing in the California Register of Historical Resources, Riverside Hearing, November 8, 2002. San Diego: Cities of San Diego, National City, Chula Vista and Imperial Beach, 2002. Expert historian report and oral testimony before the California Historical Resources Commission regarding the eligibility of the Coronado Belt Railroad for listing in the California Register of Historical Resources.

Orradre v. Monterey County Water Resources Agency. Water Right Hearing California State Water Resources Control Board: Application No. 30532 by Monterey County Water Resources Agency. Submission of declarations on behalf of the applicant relating to pre-1914 appropriative water claims for agricultural uses in the Salinas Valley. Sacramento: Downey Brand Seymour & Rohwer, 2000 – 2001.

Putah Creek Water Cases. *Solano Irrigation District v. The Names of All Appropriative Water Rights Holders in Upper Basin, et al.*, Solano Superior Court No. 108552 and *Putah Creek Council v. Solano Irrigation District and Solano County Water Agency*, Sacramento Superior Court No. 515766, 1996. Deposition and Expert historian testimony for Solano Irrigation District and Solano County Water Agency regarding historic navigation, fishing, and agricultural water diversions from the historic main channel of lower Putah Creek, a tributary of the Sacramento-San Joaquin Delta. O'Laughlin & Paris, attorneys at law, Chico, CA.

LITIGATION RESEARCH SERVICES

Riparian and Pre-1914 Water Rights Investigation for agricultural lands adjacent to the Salinas River in the vicinity of Gonzales, Monterey County, CA., 2015-2016.

Riparian and Pre-1914 Water Rights Investigation for agricultural lands adjacent to the Sacramento River north of West Sacramento, Yolo County, CA., 2015-2016.

Research related to 19th century appropriative water rights for mining, irrigation, and domestic purposes established over public lands later acquired by the Plumas National Forest, Plumas County, CA, Richard H. Hart, Attorney at Law, Tahoe City, CA, 2015-2016.

Riparian Water Rights Investigation for agricultural and wetlands adjacent to the Cosumnes River, Sacramento County, CA. Sacramento County Counsel, 2015-2016.

In Re the General Adjudication of Rights to the Use of Water from the Snake River Drainage Basin Water System, State of Idaho v. United States; State of Idaho; and all unknown claimants to the use of water from the Snake River Drainage Basin Water System, District Court of the Fifth Judicial District of the State of Idaho, Twin Falls, ID. Served as one of the State of Idaho's principal consulting historians for the Snake River Basin Adjudication of Water Rights from 1991-Present. Assisted the State of Idaho's Attorney General's office by conducting historical research and analysis related to more than 150,000 claims that were under adjudication within the upper Snake River Basin in Idaho. These studies involved reservoir storage rights, appropriative water claims, groundwater use, submerged lands, hydro-electric power generation, municipal water uses, federal water rights, federal reserved water rights for military, forest and Indian reservations and tribal water claims, as well as legislative histories. Boise: Natural Resources Division, Office of the Attorney General, State of Idaho, 1991-2016.

Research related to 19th century spring developments and acquisition of rights-of-way to convey water by pipes and other means across the public domain within an area later reserved as National Forest lands in Southern California, Best Best & Krieger, 2015.

Research regarding Pre-1914 Water Rights of Woods Irrigation Company, San Joaquin County, CA. State Water Contractors and San Luis and Delta-Mendota Water Authority, 2015-present.

Report on Riparian and pre-1914 Water Right Claims on three parcels in eastern Contra County, CA. East Bay Municipal Utility District, 2014.

Report on Riparian Water Rights associated with an old 19th century ranch located on the San Joaquin River, Madera County, CA. Kronick, Moskovitz, Tiedeman & Girard, Sacramento, CA, 2014.

Central & South Delta Water Rights Investigation, State Water Contractors, 2014.

Pre-1914 Water Rights Investigation, Cucamonga Valley Water District, 2014. Prepared historical reports and documentary evidence regarding several old groundwater and surface water rights within the District's Service area, Cucamonga, Cucamonga Valley Water District, 2014-2015.

Rialto-Colton Groundwater Investigation, McPeters McAlearney, Shimoff & Hatt, Redlands, CA, 2014-present.

Research related to the historical background of groundwater pumping in the 1950s by Orange, Riverside, and San Bernardino county water interests in Upper Santa Ana River Basin in Southern California. Thomas McPeters, Esq., McPeters McAlearney Shimoff & Hatt, Redlands, CA, 2013 - 2014.

Research Related to Construction and Operation of Livingston Drain and Related Matters in Merced County, CA, Duane Morris, LLP, Attorneys at Law, 2013 – 2014.

Historical Research Related to the Development of an Interstate Water Compact. This work has required extensive archival research in three states and at the National Archives in Washington D.C., College Park, MD, and Denver, CO. Somach, Simmons & Dunn, Sacramento, CA, 2012 – Present.

Historical Research related to Land Acquisition, Construction and Use of the Hetch Hetchy Aqueduct Right of Way, *Pear v. CCSF*, City and County of San Francisco, Public Utilities Commission and the City Attorney's Office, 2012-2013.

Historical Research related to Land Acquisition, Construction and Use of the Hetch Hetchy Aqueduct Right of Way, *Walsh v. CCSF*, City and County of San Francisco, Public Utilities Commission and the City Attorney's Office, 2012-2013.

Fletcher Ranch Road Investigation: History of Public Uses of Roads providing access to a number of private parcels located upstream of San Antonio Reservoir, Alameda County, CA. *Fletcher v. CCSF*, City and County of San Francisco, Public Utilities Commission and the City Attorney's Office, 2012.

History of Past Land Uses, Riparian and Pre-1914 Appropriative Water Rights, and Agricultural, Stock-watering, and Domestic Water Use on a small vineyard located in Napa Valley, CA. Napa: Seavey Vineyards, 2012.

Reclamation and Land Use History Investigation: Union Island, San Joaquin Delta, CA. O'Laughlin & Paris LLP for Modesto Irrigation District; Kronick, Moskovitz, Tiedemann & Girard for State Water Contractors and Diepenbrock Harrison for San Luis and Delta-Mendota Water Authority, 2011-2013.

Investigation Regarding Historical Delineations of the Rialto Groundwater Basin, San Bernardino, CA. Thomas McPeters, Esq., McPeters McAlesrney Shimoff & Hatt, Redlands, CA, 2010 and 2013.

Historical Research Regarding Operation and Water Use at the Lower Fontana Power Plant, Lytle Creek Canyon, San Bernardino County, CA for California Public Utilities Commission Hearings. Fontana: Fontana Water District and San Gabriel Water District, 2011.

EBMUD Hydroelectric Power Plants: Water Rights Investigation, San Joaquin, Amador and Calaveras counties, CA. Oakland, CA: East Bay Municipal Utilities District, 2011.

Potentially Responsible Parties Historical Research for two World War II Era Industrial and manufacturing sites in Chino Basin, CA. Los Angeles, CA: Nossaman LLP, 2011.

Susan River Pre-1914 Water Rights Investigation, Lassen County, CA. Chico: O'Laughlin & Paris LLP, 2010.

Investigation of Historic Water Development at Two Well Sites: Chino Groundwater Basin. Rancho Cucamonga: Cucamonga Valley Water District, 2010-2012

Lower Lytle Creek Power Plant and Appurtenant Facilities: Construction and Water Use History. Thomas McPeters, Esq., McPeters McAlesrney Shimoff & Hatt, Redlands, CA, 2010.

Riparian Water Rights Investigation for thirteen vineyard parcels located in the Dry Creek and Russian River Watersheds, Sonoma County, CA. Sacramento: Ellison, Schneider & Harris, 2010.

Reclamation and Land Use History Investigation: Roberts Island, San Joaquin Delta, CA. Chico: O'Laughlin & Paris LLP for Modesto Irrigation District; Sacramento: Kronick, Moskovitz, Tiedemann & Girard for State Water Water Contractors and Diepenbrock Harrison for San Luis and Delta-Mendota Water Authority, 2010-2014

General Adjudication of Rights to the Use of Water from the Coeur d'Alene-Spokane River Basin Water System in Northern Idaho. Expert historian for the general water rights adjudication of Northern Idaho rivers and streams regarding appropriative water right claims under Idaho law, federal reserved water right claims and tribal claims to water before the Fifth Judicial District of the State of Idaho. Boise: Natural Resources Division, Office of the Attorney General, State of Idaho, 2010 - present.

History of Groundwater Development and Use in Antelope Valley to fulfill the changing military missions of Edwards Air Force Base, Kern, San Bernardino and Los Angeles Counties, CA. Historical research related to federal reserved water right claims for military purposes at Edwards AFB. Washington, D.C.: U. S. Department of Justice, 2008 - 2014.

History of Fontana Union Water Company's Lytle Creek Diversion on the San Bernardino National Forest. Research and preparation of a report documenting water diversion and intake facilities on Lytle Creek prior to the establishment of the national forest reserve in 1893. Prepared for Fontana Union Water Company, Cucamonga Valley Water District and San Gabriel Water District for submission to the Chief Counsel for Natural Resources, U. S. Department of Agriculture, 2009.

Historical Research regarding history of public roads and trails and their dedication for public uses in Elsinore township and the town of Lake Elsinore, in San Diego and Riverside Counties, CA, 1840s-1920s Riverside: Aklufi & Wysoki, Attorneys at Law, 2006-2009.

Due Diligence Research on History of Land Uses, Pre-1914 Appropriative and Riparian Water Rights Associated with an 8000- acre Historic Ranch in Madera County, CA, 2009 - 2010.

Pre-1914 Water Rights Investigation of a privately-owned irrigation water supply system, which was later acquired by and incorporated into the Merced Irrigation District: Merced County, CA, Merced Irrigation District, Merced, CA, 2008-2012

Historic Meandering of the Blackfoot River within a U. S Army Corps of Engineers Flood Control Project Area within the Fort Hall Reservation, Idaho. Boise: Natural Resources Division, Office of the Attorney General, State of Idaho, 2008.

Historic Meandering of the River Bend Section of the Russian River, Sonoma County, CA. Sacramento: Lennihan Law, APC, 2008.

Land Use History and Pre-1914 Water Rights Investigation, for a historic ditch on Sheridan Creek, near Inwood, Shasta County, CA. Sacramento: Lennihan Law, APC, 2007-2008.

Riparian Lands and Agricultural Land Uses Investigation for major reclaimed islands in the southern San Joaquin Delta, San Joaquin County, CA. Chico: O'Laughlin & Paris LLP, 2007 – 2009.

Pre-1914 Water Rights Investigation for Idyllwild Water District regarding Strawberry Creek, a tributary to the San Jacinto River. SWRCB Complaint No. 33-05-01 In Re. Strawberry Creek, Riverside County, CA. Sacramento: Ellison, Schneider & Harris, Attorneys at Law, LLP, 2007 – 2008.

Land Use History and Pre-1914 Appropriative Water Rights Investigation: White Mallard Duck Club on Butte Creek, Colusa, Sutter and Butte Counties, CA. Sacramento: Lennihan Law, APC, 2006-2007.

Historical Investigation of Pre-1914 and Riparian Water Rights to Big Springs (aka, Bass Springs), a Tributary of Montgomery Creek, Shasta County, CA. Chico: O'Laughlin & Paris, Attorneys at Law, 2005-2007.

Pre-1914 and Riparian Water Rights Investigation. Land and Water Use history on a 900 acre vineyard in West Fork Gualala River Valley, Sonoma County, CA. Sacramento: Ellison & Schneider, Attorneys at Law, 1999.

Report on Riparian Lands of Leland Stanford Jr. University, Santa Clara County, CA. Sacramento: Ellison & Schneider, Attorneys at Law, 1990-1999.

Carmel River Adjudication, Monterey County, California. State Water Resources Control Board, Pre-1914 Appropriative Water Rights Investigation for lands in the Carmel River Basin. Sacramento: Ellison & Schneider, Attorneys at Law, 1995-1997.

Blankenship v. California Coastal Commission. Investigation of Historical Uses of Roads and Trails in Escondido Canyon, Santa Monica Mountains, Los Angeles County, CA. Los Angeles: Lands and Natural Resources Division, California Department of Justice, Office of the Attorney General and the California Coastal Commission, 1995-1997.

Solano Irrigation District v. The Names of All Appropriative Water Rights Holders in Upper Basin, et al., and Putah Creek Council v. Solano Irrigation District and Solano County Water Agency. Putah Creek Water Adjudication: Historical research and expert witness testimony regarding Mexican Land Titles, Land Ownership and Agricultural Uses in the Putah Creek Riparian Corridor, and Historic Navigation on Putah Creek. Oroville: Minasian, Minasian, Minasian, Spruance, Baber, Meith & Soares, Attorneys at Law and Solano Irrigation District and Solano County Water Agency, 1994-1996.

Pre-1914 Appropriative Water Rights Investigation: Bar X Ranch Irrigation System, Lake County, CA. Report prepared in support of landowner's "Statement of Water Diversion and Use" before the California State Water Resources Control Board, Division of Water Rights. Oakland: Fitzgerald, Abbott & Beardsley, Attorneys at Law, 1996.

Historical research and analysis of land and water rights development for various Peninsula and Hetch Hetchy water projects, City and County of San Francisco Public Utilities Commission, Water Department, and City Attorney's Office, City and County of San Francisco, 1988-1998.

Historical Research on the Presidio of San Francisco's Reserved Water Rights and the City of San Francisco's Water Claims under Spanish and Mexican Law, City and County of San Francisco Public Utilities Commission, Water Department, and City Attorney's Office, City and County of San Francisco, 1988-1990.

Ziomek v. City and County of San Francisco. Research and declaration on a Right of Way claimed over public lands by CCSF within a patented Homestead Tract in Tuolumne County. San Francisco: City Attorney's Office, 1995.

Historical background of *Dana v. Jackson Street Wharf Co.* (1866), a California State Supreme Court decision regarding land formation and land ownership on San Francisco Bay. Sacramento: Lands and Natural Resources Division, California Department of Justice, Office of the Attorney General, 1994.

California Coastal Commission Enforcement Action. Historic Coastal Shore Zone Erosion in the Vicinity of Fariah Beach, Ventura County, CA. Oakland: Lands and Natural Resources Division, California

- Department of Justice, Office of the Attorney General and Los Angeles: California Coastal Commission, 1994.
- Smith v. State of California*. Historic Research on Reclamation of Tidelands and Swamp & Overflowed Lands in Alameda County, CA. Oakland: Lands and Natural Resources Division, California Department of Justice, Office of the Attorney General, 1993-1994.
- Tidewater v. State of California*. Historic Research on Swamp & Overflowed lands, Tidelands, and Submerged Lands and Navigation of Tidal Inlets and Rivers on Suisun Bay, Contra Costa County, CA. Oakland: Lands and Natural Resources Division, California Department of Justice, Office of the Attorney General, 1993-1994.
- Nickel Enterprises v. State of California, et. al.*. Superior Court, Kern County, California. Historical research and expert testimony regarding land uses and inland navigation on the Lower Kern River, Kern County, California. Oakland: Lands and Natural Resources Division, California Department of Justice, Office of the Attorney General, 1992-1993.
- Pre-1914 Water Rights Investigation: Water and Land Uses on the San Gregorio Rancho, San Mateo County, CA. San Francisco: City Attorney's Office, 1992.
- Pre-1914 and Riparian Water Rights Investigation: Lytle Creek Basin, San Bernardino County, CA. Investigation included analysis of appropriative and riparian claims, mutual water company rights and transfers of water stock, underground flows in defined channels, and Mexican water rights. Fontana Union Water Company, Fontana, CA and Lagerlof, Senecal, Drescher & Swift, Attorneys at Law, Pasadena, CA, 1990-91.
- Walt Harvey (Lovelace) v. California*. Historical Research Regarding Causes of River Bar Formation in the Lower Sacramento River in the Vicinity of Chicory Bend, CA, 1840-1960. Sacramento: Lands and Natural Resources Division, California Department of Justice, Office of the Attorney General, 1989-1991.
- San Pedro - Gila River Adjudication*. Federal Reserved Water Rights Investigation: Historical water use on federal reserved and acquired lands located within the Fort Huachuca Military Reservation, Arizona. U. S. Army Garrison, Fort Huachuca, Arizona and U. S. Attorney's Office, Western Region, Denver, Colorado, 1990.
- Lighthouse Marina v. California*. Historical Research Regarding Causes of River Bar Scouring in the Lower Sacramento River in the Vicinity of West Sacramento, CA, 1840-1960. Sacramento: Lands and Natural Resources Division, California Department of Justice, Office of the Attorney General, 1990.
- Sarah Court v. State of California*. Historical Research and Report on Commercial Navigation of the Lower American River, CA, 1825-1913. Sacramento: Lands and Natural Resources Division, California Department of Justice, Office of the Attorney General, 1984-1990.
- In the Matter of State Water Resources Control Board Application No. 28468*. Pre-1914 Appropriative Water Rights Investigation: Pacific Gas & Electric Company's completion of the ultimate plan for a stepped hydroelectric power development system on the North Fork of Feather River, Plumas and Butte Counties, CA, Part II: 1930-1988. San Francisco: Pacific Gas & Electric Company, 1984-1989.
- New Mexico v. United States*. Federal Reserved Water Rights Investigation, San Juan River Basin: history of treaty negotiations, land settlement, water uses, reclamation projects, and Indian reserved

- water rights on the Navajo Indian Reservation, San Juan Basin, New Mexico. Santa Fe: New Mexico State Engineers Office, 1985-88.
- New Mexico v. United States.* Federal Reserved Water Rights Investigation, San Juan River Basin: Jicarilla Apache Reservation, history of treaty negotiations, boundary changes, land uses, water development, and Indian reserved water rights. Santa Fe: New Mexico State Engineers Office, 1985-1987.
- In the Matter of State Water Resources Control Board Water Rights Application No. 28468.* Pre-1914 Appropriative Water Rights Investigation: History of Great Western Power Company's plans for and initial construction phases of a multi-staged hydroelectric power development project on the North Fork of the Feather River, Part 1: 1902-1930. San Francisco: Pacific Gas & Electric Company, 1986-87.
- New Mexico v. United States.* Federal Reserved Water Rights Investigation, San Juan River Basin: Ute Mountain Ute Reservation, history of treaty negotiations, boundary changes, land uses, water development, and Indian reserved water rights. Santa Fe: New Mexico State Engineers Office, 1985.
- Pre-1914 Appropriative Water Rights Investigation: history of agricultural, mining, power and municipal water diversions from Butte Creek, Butte County California. San Francisco: Pacific Gas & Electric Company, 1984-85.
- Pre-1914 Appropriative Water Rights Investigation: history of agricultural, mining, power and municipal water diversions from West Branch of the North Fork Feather River, Butte and Plumas Counties California. San Francisco: Pacific Gas & Electric Company, 1985-86.
- State of California v. Southern Pacific Railroad, et. al.,* Superior Court, Sacramento County, CA. Research on levee construction, historic navigation and agricultural development of lands and waterways in the vicinity of Snodgrass Slough in the Sacramento-San Joaquin Delta in support of the State of California's claim to sovereign ownership of certain marsh land known as "Delta Meadows." Sacramento: Lands and Natural Resources Division, California Department of Justice, Office of the Attorney General, 1982.
- People of the State of California v. Wallace et al.* Historical land status report on swamp & overflowed lands in the Colusa Basin, Yolo and Colusa Counties, CA for a case involving a water right dispute between pre-1914 water right and riparian water right claimants. Los Angeles: Land Law Division, California Department of Justice, 1982.
- United States v. Reitman,* Federal District Court, Arizona. Research into historic meandering of the Colorado River near Ehrenburg, Arizona and ownership of an island located in the river. Joseph Reitman, Weiser, Idaho, 1982.
- Anchor Estates, Inc. v. United States and Dakotaville, Inc. v. United States.* Historical report on the historic meandering of the Missouri River in its floodplain in the vicinity of Bismarck, North Dakota for a case involving flooding in that region allegedly caused by operational practices at Garrison and Oahe Dams. Omaha: U.S. Army Corps of Engineers, 1982.
- Investigation of Historic Navigation on Upper and Lower Alkali Lakes, Modoc County, California in support of the State of California's claim to sovereign ownership of the bed of the lakes. Sacramento: Lands and Natural Resources Division, California Department of Justice, Office of the Attorney General, 1981-1983, and 1985.

Investigation of Inland Commercial Navigation on the Upper San Joaquin River in California, 1825-1900, in support of the State of California's claim to sovereign ownership of the bed of a portion of the river. Sacramento: Lands and Natural Resources Division, California Department of Justice, Office of the Attorney General, 1981-1983, and 1985.

Investigation of Commercial and Recreational Navigation on Independence and Webber Lakes in the Sierra Nevada region, California, 1849-1900. Sacramento: Lands and Natural Resources Division, California Department of Justice, Office of the Attorney General, 1980-1983.

National Forest Access Road Histories: Utah. History of construction, maintenance, and public uses of twenty-seven National Forest access roads in six National Forests in Utah. Ogden, UT: U.S. Forest Service, Intermountain Regional Office, 1980-1981.

Brandenburger v. State of California, Superior Court, Nevada County, California. State of California's claim to sovereign ownership of Donner Lake and the extent of the state's ownership of the shore zone between high and low water. Sacramento: Lands and Natural Resources Division, California Department of Justice, Office of the Attorney General, 1980-1982.

State of California v. Leslie Salt Co., Superior Court, Alameda County, California. Research related to land use, fills, and reclamation of tidelands in support of the State of California's claim to ownership of tidelands in San Francisco Bay. Sacramento: Lands and Natural Resources Division, California Department of Justice, Office of the Attorney General, 1979.

State of California v. Forgerty, et. al., Supreme Court of the State of California. Historical study of natural and artificial high and low water levels at Lake Tahoe, CA and NV, 1840-1902 in support of the state's claim to ownership of the shore zone between high and low water marks. Sacramento: California State Lands Commission, 1976-78.

Lyons, et. al v. State of California, Supreme Court of the State of California. Historical study of natural and artificial high / low water levels at Anderson Marsh and other overflowed lands near the outlet of Clear Lake, CA, 1850-1920. Sacramento: California State Lands Commission, 1976-78.

State of California v. State of Nevada. United States Supreme Court. Historical research for an adjudication to determine the correct boundary line between the State of California and the State of Nevada north of Lake Tahoe to the Oregon border. Sacramento: California State Lands Commission, 1976-77.

Research on Historic Navigation on the Upper San Joaquin, American, Truckee, and Yuba Rivers and on Lake Tahoe, Donner, Independence, Fallen Leaf, Clear, and Webber Lakes in California. Sacramento: California State Lands Commission and Natural Resources Division, California Department of Justice, 1976-1978.
