UNITED STATES'
WITNESS LIST

22 Pursuant to the status conference order entered by the
23 Court on June 15, 1987, the plaintiff United States does not now
24 intend to call witnesses at the trial of this matter scheduled
25 for April 12, 1988. However, no final decision has been made
26 whether the United States will participate in the trial as an
active litigant. If the United States does participate, it will
not call any witnesses other than those listed by the Spokane
Tribe. The United States will inform the parties and the Court
as soon as it can concerning its intent to participate in the
trial so as not to delay or hinder other parties' preparation for
trial.
