ARGUMENT

A. Introduction

B. Argument

The District Court Erred when it Summarily Dismissed my Post conviction Petition.

The U.S. Constitution clearly states that No citizen shall be deprived of Liberty Without Due process of Law, which clearly states an Impartial jury, To be confronted with witnesses against him, and to have The Assistance of counsel for his defense. NOT to be subjected to cruel and unusual punishments inflicted, ALSO to The Equal protection of The Law Everyone of The Constitutional Amendments that I brought up were violated (5th, 6th, 8th, 14th)

Now For The Reich decree of February 23rd 1937 (Nazi Germany) While I am fairly certain that Everybody Knows How The concentration camp system (Prison system) Ended I am NOT sure many people know how it started. Just Like This case The police, with The consent of The Prosecutors and Judges sent →

Anybody with Three Felony convictions to be confined for life. They were labelled as "Anti-social" and were placed in preventive Detention (concentration camp) Judge Hansen by calling me a "habitual criminal" and "Anti-social mirrors the actions of Nazi Germany. He did say he had to "protect property". Just like the Nazis he used preventive detention for the supposed suppression of crime, however, meant that the normal system of justice was, deprived of its right to conduct an unprejudiced examination of the case. Like I have stated before the whole record has to be examined because of the enormity of violations.

Now I know that I will not be there to argue my case, so I will state this. The Prosecutor's ~~side~~ ~~the~~ Arguments change with the wind (just look at the record) The Prosecutor just like the witnesses that the state used change their story whenever it was convenient and used emotional, and fear tactics, plus personal attacks on my sanity and anything else they could use to sway, and the Judge allowed it. Of course my ineffective counsel helped the state. I felt like I had three prosecutors: Against me. (Judge, Prosecutor, Lawyer)

CONCLUSION

Therefore, appellant respectfully requests that this court [what court should do].

Since This is The Last chance For The State To clean This mess up, I respectfully ASK For The Sentence To be vacated and a New Trial. AT The minimum I would request The sentence To be reduced To Five years. so I may Flee Idaho Never To return

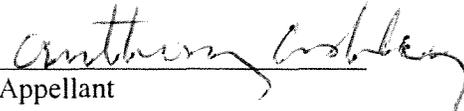

Respectfully submitted this _____ day of _____, 20__.
